

This certificate is presented to

PinnPACK PACKAGING, LLC

Quirky Plastics recognizes PinnPACK Packaging, LLC as a Quirky Plastics Certified company for their utilization of recycled pigmented plastics. The following products from PinnPACK Packaging, LLC have earned them this certificate as a recognition of their commitment to sustainable practices which will continue to reduce plastic waste.

The PinnPACK Green and Black Lines are Quirky Plastics certified from October 15th, 2020 until October 15th, 2021 when they will be up for renewal. Their use of recycled pigmented plastics and the review of their processes successfully met the certification standards
